Referral Program

The Retirement Investor “Ambassador” Referral Program (the “Program”) makes it easy for you to share your knowledge about Retirement Investor with your friends, colleagues, blog/social media followers, or visitors to your website and get rewarded at the same time. For every person you refer and who becomes a paying member of Retirement Investor, your Ambassador account is eligible for a commission of 20% of the referred member’s ongoing service fees. The following terms and conditions apply to the Program:

1. You must join the Retirement Investor Ambassador Program.
2. You must use a valid Ambassador link to refer members to Retirement Investor in order to be eligible for the credit. You acknowledge and agree that we may disclose your name to your referees as the referrer.
3. As the referrer, you will receive a commission equal to 20% of each new member’s ongoing service fees for each member you have referred that has registered and paid for a Retirement Investor membership. You will be paid a 20% commission each time your referred member renews his/her membership (either monthly or annually) with a credit card payment. A “new member” must be a person or entity that is not currently a paying member of Retirement Investor.
4. Referral Program commissions do not apply for any accounts that you may have referred prior to the launch of the Program.
5. Only one referrer will be granted credit per each new member account. If multiple referrers claim the same referral, Retirement Investor will have sole discretion to identify the referrer for such referral.
6. Ambassador Program accounts that are canceled by Retirement Investor for any reason (non-compliance with Retirement Investor’s Terms of Use) will not be included in the Program and commissions will be discontinued.
7. Retirement Investor commissions are not transferable.
8. Commission will be paid by way of a payment processing service provider (ex. PayPal, Dwolla) of Retirement Investor’s choosing. Payment processing fees may apply and may be deducted from commission payments.
9. Retirement Investor reserves the right to terminate the relationship with any referring program member and / or referred member or decide not to provide a credit for any reason, including if Retirement Investor suspects that there is some abuse of the Program by either or both parties.
10. Ambassadors and referred members are responsible for following any applicable state and federal laws relating to participation in the Program and commission payments, including but not limited to tax reporting, marketing/sales practices, etc. Retirement Investor is not responsible or liable for the actions of Ambassadors or referred members.
